Pixilart

Created Artwork Ownership

By submitting content from the pixel drawing application (located at "[pixilart.com/draw](https://pixilart.com/draw)") to Pixilart for inclusion on the website, you grant Pixilart worldwide, royalty-free, and non-exclusive license to reproduce, modify, adapt, and publish and advertise the content without prior notice. Drawings you create on Pixilart may be used for public/commercial use. Content may be removed at any time for registered/non-registered users. Any content you create using the drawing application has been rightfully owned and created by you and does not infringe in any copyright infringement laws.
